

Answer on the question #59943, Chemistry / Physical Chemistry

Question :

If 30g of a substance occupies a volume of 25 cm³, calculate its density on S.I unit?

A) 1.2 g/cm³

B) 1.2 kg/m³

C) 0.0012 g/cm³

D) 0.0012 kg/m³

Answer : 1200 kg /m³, none of the proposed variants.
